---

## Course Overview

You already offer your employees an internal learning badge on various topics. To show your appreciation—especially to those employees who are particularly enthusiastic about learning—you'd now like to offer a particularly engaging keynote presentation and have reached out to us.

Together with you, we'll discuss your ideas and our options during a consultation. We'll provide you with a proposal featuring various exciting keynote suggestions from top-notch faculty members at TU Berlin. Ultimately, the choice is yours, and you'll decide which keynote best fits your learning badge.

---

## Course Content

### PART 1

The Professor's Keynote Address

### PART 2

Q&A session and inclusion of specific examples

## Learning Goals

Depending on the keynote you choose. The technical topics range from data science, sustainability, management and leadership to engineering and mobility.

## Participation & Requirements

### TARGET GROUP

The employees from your company.

### PRIOR KNOWLEDGE

Depending on your employees' prior knowledge, we will tailor the learning objectives and focus areas and work with you to determine what prior knowledge is required for successful participation.

### CERTIFICATE DETAILS

Certificate of Participation from the TU Berlin Academy
